

EQUIPMENT LIST FOR FOSTERS

REQUIRED EQUIPMENT:

Wire or plastic crate and crate pad – many versions. Look online at PetsMart or Petco for examples. Whole Pets Market in Dripping Springs has great deals on crates, Craigslist or the Dripping Springs Virtual Garage Sale.

If you are not sure you will be fostering long term we can loan you out a crate for your first night/weekend. After that we will ask you to buy your own crate if it is something you will be doing long term.

OPTIONAL EQUIPMENT:

Flexi Comfort All Belt retractable leash (16') – many similar brands but do not buy one with string-like line as it can cut you! Get a belt type only.

4'-6' standard leash - Nylon or light leather usually works best.

DISCOUNT FOR FOSTERS

Larry at Whole Pets Market in Dripping Springs has offered a discount on food and treats to our fosters. All you will need to do is get a "Foster Family" Card from us and present it at check.
